VISION & MISSION OF DFT

VISION

Our vision is to enable young minds with profound knowledge and technology to be globally responsible by creating skilled and blissful community

MISSION

To impart knowledge and technological skills in young minds with global standards To ignite environmental sensitivity. To indoctrinate right values and universal brotherhood. To incorporate student - centric and joyful learning

CAMPUS SUPERIOR MESSAGE

June marks the halfway point of the year – a powerful time to pause, reflect, and reignite your purpose. Whether the past months have been full of wins or lessons, remember this: you still have time to shape the story you want to tell. Use this month to reset your mindset, renew your goals, and remind yourself why you started. Let the longer days and warmer air fuel your energy and optimism. You are capable of more than you know, and every single day is a fresh chance to become the person you're striving to be. Keep believing, keep showing up, and trust that your consistency will carry you forward. June is your moment – claim it."**

REV.SR.EMELDA

Campus Superior(SJGS)

PRINCIPAL MESSAGE

As June unfolds, it brings with it the promise of new beginnings and renewed energy. It's the midpoint of the year—a perfect time to pause and reflect on how far you've come, and to realign with your deepest goals and dreams. Whether the first half of the year was smooth or challenging, remember that every experience has prepared you for what's next. June invites you to embrace growth, to step outside your comfort zone, and to pursue your passions with courage and determination. The days are longer, the air is warmer, and the possibilities feel endless—use this energy to fuel your motivation. Take small, consistent steps toward what matters most to you. Believe in your strength, your resilience, and your ability to create the life you envision. This month, let your actions be guided by hope and your heart be filled with purpose. June is your fresh canvas—paint it boldly.

SAFETY CHECKING DAY

Safety Checking Day in School is typically a designated day when a school conducts comprehensive checks and drills to ensure the safety and preparedness of students, staff, and facilities.

Why It's Important

- * Prevents accidents and injuries.
- * Trains students and staff on how to respond to emergencies.
- * Ensures the school complies with safety regulations.
- * Builds a culture of awareness and preparedness.

ACADEMIC DIRECTOR'S VISIT

Our team had a productive meeting with our Academic Director, Mr. Vijimon Iyyappan, who provided valuable insights on crafting effective plans, exploring innovative teaching methodologies, and implementing essential changes for the new academic year. He shared practical tips on structuring lesson plans, integrating technology, and assessing student progress. The discussion also covered strategies for promoting student engagement, addressing diverse learning needs, and fostering a supportive classroom environment. Overall, the session was informative and engaging, and we gained useful knowledge to enhance our teaching practices.

VISIT

STAFF MEETING

Our teachers had a staff meeting to elect the upcoming secretary, house captain, and club in-charge for the new academic year. They also discussed the CBSE teaching pattern and the key aspects to focus on for the new academic year. Our teachers had a staff meeting to elect the upcoming secretary, house captain, and club in-charge for the new academic year. They also discussed the CBSE teaching pattern and the key aspects to focus on for the new academic year.

SPL AND ASPL ELECTION

- Develops leadership skills and responsibility
- Encourages student participation and democracy
- Fosters teamwork, communication, and problem-solving
- Prepares students for future leadership roles

A great way to empower students and build a student council!

TRAINING SESSION

Topic : Competency Based Education 27.5.25

Teachers attended an engaging training session conducted by our Vice Principal, who discussed Competency-Based Education (CBE), focusing on curriculum design, innovative assessment methods, and strategies for implementation. The session explored key aspects of CBE, including defining clear competencies, developing personalized learning plans, and using technology to support student progress. Through interactive discussions and examples, the Vice Principal provided valuable insights and practical guidance for integrating CBE into our teaching practices.

TRAINING SESSION

Assessment and Evaluation Practices-CBSE

28.5.25

Our teachers attended a training session conducted by Middle School Coordinator, Mrs. Rudra, on Assessment and Evaluation practices. The session covered key aspects such as designing effective assessments, developing rubrics, and using evaluation data to inform instruction. She emphasized the importance of aligning assessments with learning objectives and using a range of assessment types to cater to diverse student needs."

PRODUCT TRAINING SESSION

30.5.25 AND 31.5.25

Our teachers attended a comprehensive product training session, where they gained hands-on experience with innovative educational tools and technologies. The session covered effective integration strategies, troubleshooting, and best practices for maximizing student engagement and learning outcomes.

DFT COORDINATORS' TRAINING

17.6.25

NO BAG DAY ACTIVITY

- Students bring reusable bags/containers
- Discussions on reducing waste and sustainability
- Creative projects (art, posters) on eco-friendly practices
- Interactive games/quizzes on environmental awareness
- Promotes environmental responsibility and sustainable habits among students!
