VISION & MISSION OF DFT

VISION

Our vision is to enable young minds with profound knowledge and technology to be globally responsible by creating skilled and blissful community

MISSION

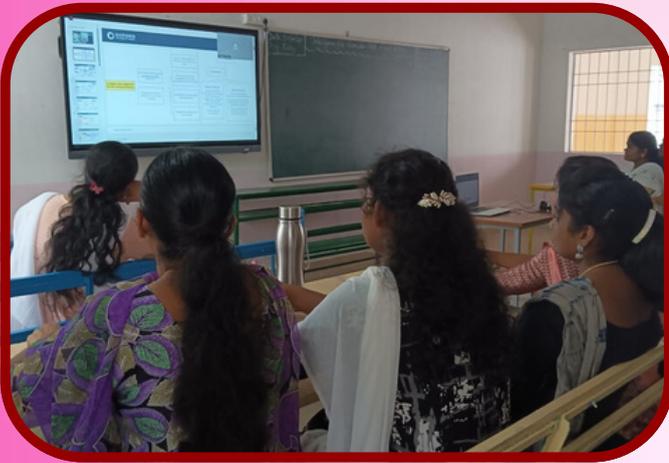

To impart knowledge and technological skills in young minds with global standards To ignite environmental sensitivity. To indoctrinate right values and universal brotherhood. To incorporate student - centric and joyful learning

PRODUCT TRAINING SESSION

30.5.25 AND 31.5.25

Our teachers attended a comprehensive product training session, where they gained hands-on experience with innovative educational tools and technologies. The session covered effective integration strategies, troubleshooting, and best practices for maximizing student engagement and learning outcomes.

TRAINING SESSION

Topic : Competency Based Education

27.5.25

Teachers attended an engaging training session conducted by our Vice Principal, who discussed Competency-Based Education (CBE), focusing on curriculum design, innovative assessment methods, and strategies for implementation. The session explored key aspects of CBE, including defining clear competencies, developing personalized learning plans, and using technology to support student progress. Through interactive discussions and examples, the Vice Principal provided valuable insights and practical guidance for integrating CBE into our teaching practices.

TRAINING SESSION

Assessment and Evaluation Practices-CBSE

28.5.25

Our teachers attended a training session conducted by Middle School Coordinator, Mrs. Rudra, on Assessment and Evaluation practices. The session covered key aspects such as designing effective assessments, developing rubrics, and using evaluation data to inform instruction. She emphasized the importance of aligning assessments with learning objectives and using a range of assessment types to cater to diverse student needs."
